

Enrolling in Medi-Cal means you will have access to health services for FREE or at low cost, including preventive services – like annual check-ups, dental and vision care, and medication.

Get more information and free confidential help

Apply at your local clinic or with a community organization. To get help, go to:

The documents you may need to enroll *(if you have them)*

- A. Proof of Identity (for example, photo ID, passport, consular ID, or driver's license)
- B. Proof of Household Income (for example, current pay stub or IRS Form 1040)
- C. Medi-Cal Renewal Form *(if applicable)*

It is okay if you do not have these documents. Get help to figure out the information you need.
